ID-Number: ACR/B 12/291E

Product Assessment Intercom System DS-6

Certification Body TÜV Rheinland InterTraffic GmbH

Owner of Certificate ms Neumann Elektronik GmbH
Lahnstraße 30
D-45478 Mülheim an der Ruhr / Germany

Type designation Product Platform Intercom System DS-6

Manufacturer ms Neumann Elektronik GmbH
Lahnstraße 30
D-45478 Mülheim an der Ruhr / Germany

Bases of Assessment ¹⁾ EN 54-16:2008

Assessment Report / Date ²⁾ ACR/B 12/291 – November 30, 2012

Assessment Result ³⁾ The Intercom System DS-6 is a de-centralized bi-directional communication and public address system for voice alarms. This Intercom System was subject to an application-independent Assessment according to EN 54-16:2008 to identify the suitability of the Intercom System in case of an alarm event. Deviations from the technical, functional and qualitative requirements have not been revealed. The requirements of the EN 54-16:2008 can be regarded as fulfilled on the basis of the assessed hardware and software configuration taking into account the application conditions in the assessment report ACR/B 12/291.

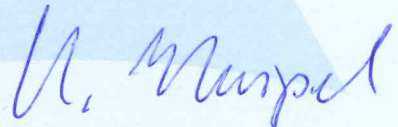

Validity The results of the safety assessment are exclusively related to the hardware and software versions as stated in the assessment report ACR/B 12/291. Modifications or deviations from the assessed configuration shall be notified to the certification body.

¹⁾ Further codes and standards applied are contained in the referenced assessment report.

²⁾ This assessment report is an integral part of the certificate.

³⁾ The assessment result is justified in detail in the assessment report.
